

ABOUT Bega NSW

RVTS TARGETED RECRUITMENT PILOT

The Remote Vocational Training Scheme (RVTS) assists the recruitment of doctors to targeted rural and remote communities with high medical workforce need, by including the RVTS GP Vocational Training program as a component of the doctor recruitment package. Since 2018, RVTS has successfully assisted the recruitment of 27 doctors to 28 rural and remote locations across Australia, including 10 Aboriginal Medical Services.

RVTS Training is a four-year GP and Rural Generalist training program delivered by Distance Education and Remote Supervision leading to Fellowship of the ACRRM and/or RACGP. RVTS Training is fully funded by the Australian Government.

The Targeted Recruitment model has brought workforce stability and enhanced continuity of care to the participating communities, as well as career progression to specialist qualifications for the recruited doctors. The RVTS Targeted Recruitment strategy is an Australian Government Initiative.

Location

Bega is 3 hours by road from Canberra and the Snowy mountains. A 30 minute drive to Merimbula airport connects to 1 hour flights to both Melbourne and Sydney. If you are wanting to leave the hustle and bustle of the city, then this is the position for you.

Attractions

Located just 15 mins from some of the most beautiful beaches in Australia, with picturesque rolling green hills, and the best outdoor walking & bike riding tracks. It is also home to some of the best eating places including a gourmet coast food trail.

Housing
